

## **FEE WAIVER PROGRAM FOR CALIFORNIA RESIDENTS SIXTY YEARS OF AGE OR OLDER**

Since January 1, 1980, California State University, San Bernardino, has offered a permanent program which allows a limited number of California residents, sixty years of age or older to enroll in regular session courses without payment of certain specified fees. The program is required to adhere to the following standards:

Enrollment shall be limited to persons who are California residents, as defined by the Education Code, are 60 years of age or older, and **are eligible for admission** to the university. **All regular admission requirements must be met.**

Persons enrolling in the program will be able to register using the MyCoyote, on-line registration system. However, because students in this program pay a reduced fee, their registration time will be the last day of priority registration. If a student applies to this program after priority registration is over, they will then register during the late registration period. However, the \$25.00 late fee will be waived.

Presently, under this program, the application fee and the student services fee may be waived. See the following fee schedule:

I.D.	5.00
Health Facilities	2.00
Student Union	2.00
ASI	<u>2.00</u>
	<b>\$11.00 (per quarter – does not include books, parking, lab/supply fees)</b>

Persons wishing to park on campus must pay the \$84.00 quarterly parking fee or pay \$5.00 daily.
